DECEMBER DAYS @THE EAGLES' NEST

CLASS OF 2010 CLASS OF 2011 CLASS OF 2012 CLASS OF 2013

As November drew to a close, our spirited EHS students held our wonderful hall-decorating extravaganza for Battle of the Classes. Class of 2010 takes the best hall prize for 2009. Go SENIORS!!!

Next, to begin our December Days our departments are adopting a family for gift-giving through our C.A.R.E. program.

The Mentor Program

is up and running well. Over 120 E.H.S. staff members have volunteered to be a part of this initiative to encourage all our students to be successful in their academic pursuits as well as their social relationships.

Our Holiday Concert is sure to stir up some excellent holiday cheer all around our school wrapping up our December Days with a visit from

the BIG GUY for our little wonders day-care program.

From the Edison High School Administrative Team and our Dedicated Staff Members comes a holiday wish for joy, peace, and a spirit of giving to all of our students and their families.

Counselor's corner:

On Wednesday, November 18th, the Student Support Center (Guidance) sponsored a field trip, taking 24 students to the Malcolm Bernard Historically Black Colleges and Universities Fair at Raritan Valley Community College. Our students represented themselves and our school extremely well. Impressing all with their professional dress and demeanor, students networked with school rep-

resentatives, completed applications, and a few students even received an instant decision! For more information on our nation's Historically Black Colleges and Universities, please visit: www.ed.gov/about/inits/list/whhbcu/edlite-index.html That same evening, the Student Support Center (Guidance) hosted its annual Financial Aid Night. Kristen Isaakson visited us from Monmouth University to

coach and counsel parents and students regarding the Free Application for Federal Student Aid (FAFSA). More than 250 people were in attendance for the presentation. Special thanks to School Counselor, Mary Jane O'Connor for organizing this informative event.
